Petition to withdraw holding of abandonment

First named inventor: Rong Huang
Application No.: 10/604,041
Filed: 06/24/2003
Title: retro-reflective etalon and the devices using the same
Art Unit: 2828
Examiner: Phillip Nguyen

In response to the notice of abandonment, I petition the patent commissioner to withdraw holding of abandonment.

I replied to the office action mailed on 04/12/2005 by 05/07/2005. I attached the Priority Mail Service Delivery Confirmation Receipt here. I also attached the reply to the office action here.
